

PROTEA HILLS

NATURE RESERVE RESIDENTIAL ESTATE

About Protea Hills

Protea Hills is a family centered, safe and secure indigenous forest estate nestled in the north east of Nkwashi. Nkwashi is approximately 35km from Cross Roads mall on Leopards Hill Road and Protea Hills Estate is 5km from the main Nkwashi entrance, providing a safe and secure entry point for all residents.

Protea Hills is the ultimate country living experience in nature of rolling hills, streams, vibrant bird life and diversity of plant life including various colored seasonal protea flowers within the estate. Protea Hills is recognized as the jewel of Nkwashi that embraces and preserves nature of all forms.

Product Overview

The estate offers 137 large area residential lots varying in size from 1 to 1.2 acres with each lot having unique topography with splendid views of indigenous nature and the Zambezi Escarpments in the distance. Protea hills provides an opportunity for club and normal purchases with payment plans of up to 4 years.

All properties are on mother title, creating a great opportunity to own unique and high value land.
